OPEN BORDERS AND AMNESTY IS THE END OF AMERICA

(Mrs. MILLER of Illinois asked and was given permission to address the House for 1 minute.)

Mrs. MILLER of Illinois. Madam Speaker, the Biden administration intentionally opened our southern border and empowered drug cartels and human traffickers to flood illegal immigrants into our country with no vetting and no COVID testing or vaccine requirements.

Secretary Mayorkas admitted on Friday that the 12,000 Haitian migrants in Del Rio, Texas, who were released into the U.S., were not tested for COVID or subject to any vaccine mandates.

President Biden and Secretary Blinken promised rigorous vetting for the Afghan nationals they flew into our country, but so far we have seen several arrested for sexually assaulting children and assaulting a female servicemember while on U.S. soil.

This is outrageous.

The Biden administration has a double standard, treating American citizens worse than foreign nationals.

This is what it means to put America last.

Instead of addressing the root cause of Biden's border crisis, House Democrats are now ramming through President Biden's reckless \$4.3 trillion socialist agenda, which includes amnesty and free college for illegal immigrants.

Americans want secure borders and sound immigration. Open borders and amnesty is the end of America.

AMERICA'S DEBT IS BEING AUCTIONED

(Mr. LONG asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LONG. Madam Speaker, the Ways and Means Committee went in last Saturday to mark up a \$3.5 trillion spending bill, and when they got done, they had a \$4.3 trillion spending bill.

I don't know exactly how that happened, but I might have a suggestion on how it could have possibly happened.

I am at a trillion. Now two, two trillion. Now three. Are you able to buy \$3 trillion down here? Now 3½. What do you go for? 3½, 3½. Now 4. Oh, 3½, now 4. At last call, 3½. Oh, 4 trillion, 4-1, 4-1, 4.1, now 2. You can afford 2. 4.2. Now 3. \$4.2 trillion, and I have sold it for \$4.3 trillion.

You know, Madam Speaker, Missourian Harry Truman said, when you get elected to Congress, you spend your first 6 months up here thinking, wow, how did I ever get here? And then you spend the whole rest of your career thinking, how did some of these other people get here?

If you have watched the boondoggle on the floor this week, you know exactly what I mean.

REPORT ON RESOLUTION PROVIDING FOR CONSIDERATION OF S. 1301, PROMOTING PHYSICAL ACTIVITY FOR AMERICANS ACT

Mr. MCGOVERN, from the Committee on Rules, submitted a privileged report (Rept. No. 117-133) on the resolution (H. Res. 688) providing for consideration of the bill (S. 1301) to provide for the publication by the Secretary of Health and Human Services of physical activity recommendations for Americans, which was referred to the House Calendar and ordered to be printed.

PROVIDING FOR CONSIDERATION OF S. 1301, PROMOTING PHYSICAL ACTIVITY FOR AMERICANS ACT

Mr. MCGOVERN. Madam Speaker, by direction of the Committee on Rules, I call up House Resolution 688 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 688

Resolved, That upon adoption of this resolution it shall be in order to consider in the House bill (S. 1301) to provide for the publication by the Secretary of Health and Human Services of physical activity recommendations for Americans. All points of order against consideration of the bill are waived. An amendment in the nature of a substitute consisting of the text of Rules Committee Print 117-16 shall be considered as adopted. The bill, as amended, shall be considered as read. All points of order against provisions in the bill, as amended, are waived. The previous question shall be considered as ordered on the bill, as amended, and on any further amendment thereto, to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Ways and Means or their respective designees; and (2) one motion to commit.

The SPEAKER pro tempore (Ms. TITUS). The gentleman from Massachusetts is recognized for 1 hour.

Mr. MCGOVERN. Madam Speaker, for the purpose of debate only, I yield the customary 30 minutes to the distinguished gentleman from Oklahoma (Mr. COLE), pending which I yield myself such time as I may consume. During consideration of this resolution, all time yielded is for the purpose of debate only.

GENERAL LEAVE

Mr. MCGOVERN. Madam Speaker, I ask unanimous consent that all Members be given 5 legislative days to revise and extend their remarks.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Massachusetts?

There was no objection.

Mr. MCGOVERN. Madam Speaker, today the Rules Committee met and reported a rule, House Resolution 688, providing for consideration of S. 1301

under a closed rule. The rule self-executes an amendment in the nature of a substitute consisting of the text of Rules Committee Print 117-16, temporarily extending the public debt limit.

The rule provides one hour of debate, equally divided and controlled by the chair and ranking minority member of the Committee on Ways and Means or their respective designees. Finally, the rule provides one motion to commit.

Madam Speaker, having just sat through a Rules Committee meeting, it is a pleasant surprise that the Republicans have now rediscovered the issue of the debt. Wow.

Where the hell were you for the past 4 years?

Where was your concern when you all passed the tax cut bill for the wealthy and big corporations that CBO projected would add \$1.9 trillion to the deficit? That is trillion with a T. And that is even after taking into account any effects from economic growth.

Give me a break.

Madam Speaker, the question before us today is this: Will the United States of America pay its bills?

I wish that were hyperbole.

We always have. The United States has never defaulted. Never, ever defaulted, not once.

But the actions of my friends on the other side have made the world seriously wonder about the full faith and credit of this Nation.

Raising the debt ceiling has traditionally been something that both parties have agreed to, no matter who controlled Congress or who sat in the White House.

I have been in Congress more than 20 years now. I voted to raise the debt ceiling when I was in the majority, and I voted to raise the debt ceiling when I was in the minority. I voted to raise it under Democratic Presidents and Republican Presidents, and I cast those votes even when I vehemently disagreed with our spending decisions.

I opposed the Republican tax cut for the wealthy and large corporations that passed under the last administration. I still think it is awful, awful policy; but I still, nevertheless, voted to raise the debt ceiling under the prior administration because regardless whether we win or lose on policy here, defaulting on our debt would lead to economic catastrophe on a global scale.

Unemployment would rise; the stock market would crater; interest rates would skyrocket; imports would become more expensive; and inflation would increase.

We are not talking about a scenario that only impacts wealthy investors or large corporations. Every single American would be hurt, everyone with a pension or a retirement account, everyone with a small business, everyone with a car or home loan, and everyone who walks into a store, whether they are buying groceries or the latest
